

# Logging into WebFOCUS Version 8.2.06

There is a “WebFOCUS Login” link on <https://dataandreporting.its.uconn.edu/> or you can use <https://bi.uconn.edu> and these links will redirect you to the following URL [https://webfocusprod.its.uconn.edu/ibi\\_apps/](https://webfocusprod.its.uconn.edu/ibi_apps/)

Getting the following error and not using Remote Desktop?

Check that you are connected to the UCONN VPN (Pulse Secure). If not, submit an IT Request and the IT Help Desk team will get you connected.

Getting the following error?

Or getting the old login page?

Try clearing the cache in your browser, open a new browser window, and login to WebFOCUS.

Here's a link in the IT Knowledge Base to show you how to "clear cache" - <https://confluence.uconn.edu/ikb/desktop-support/software-and-applications/clearing-the-cache-in-web-browsers>
